**Part 5B Development requiring
social impact
assessment**

Division 1 Preliminary

**51F Development requiring social impact
assessment—Act, s 106T**

For section 106T(1) of the Act, the following development is prescribed to be development for which social impact assessment is required—

- (a) a material change of use of premises for a prescribed renewable energy facility;
- (b) a material change of use of premises for a wind farm.

Division 2 Pre-existing applications

51G Purpose and application of division—Act, s 106U

- (1) For section 106U of the Act, this division provides for the effect of the enactment of section 51F on the process for administering the following applications (each a *pre-existing application*)—
 - (a) a development application for development mentioned in section 51F made, but not decided, before the relevant day;
 - (b) a change application relating to development mentioned in section 51F made, but not decided, before the relevant day.
- (2) However, this division does not apply in relation to a change application for a minor change to a development approval.

51H Definitions for division

In this division—

pre-existing application see section 51G(1).

relevant day means the day section 51F commences.

51I Pre-existing applications—generally

- (1) On the relevant day—
 - (a) if the pre-existing application is a development application that is a properly made application—the application is taken not to be a properly made application, and is taken not to have been accepted, under section 51 of the Act; and
 - (b) if the pre-existing application is a change application that has been accepted under section 79(4) of the Act—the application is taken not to have been accepted under section 79(4) of the Act; and
 - (c) if the pre-existing application was made to the chief executive as the assessment manager or responsible entity for the application—the process for administering the application restarts from the start of the confirmation period under the development assessment rules.
- (2) This section does not apply if section 51J applies in relation to the pre-existing application.

51J Pre-existing applications subject to Ministerial call in or direction

- (1) This section applies if—
 - (a) before the relevant day, the pre-existing application was called in by the Minister under chapter 3, part 6, division 3 of the Act; or
 - (b) before the relevant day—
 - (i) the Minister gave a direction under section 95(1)(b) of the Act to not decide the pre-existing application within a stated period; and

- (ii) the stated period had not ended.
- (2) Subsection (3) applies if, before the relevant day, the Minister gave the applicant a notice stating that the process for administering the pre-existing application—
 - (a) stops on the relevant day; and
 - (b) restarts on the day the applicant gives the decision-maker for the application—
 - (i) a social impact assessment report for the application that complies with section 106W(1) of the Act, or a notice given by the chief executive under section 106ZE(1)(a) of the Act stating that a social impact assessment report is not required for the application; and
 - (ii) each community benefit agreement for the application required under section 106Z(1) of the Act or entered into under section 106Z(2) of the Act, or a notice given by the chief executive under section 106ZE(1)(b) of the Act stating that a community benefit agreement is not required for the application.
- (3) The process for administering the pre-existing application—
 - (a) stops on the relevant day; and
 - (b) restarts on the day stated in the notice under subsection (2)(b); and
 - (c) if the notice states that the process for administering the application restarts from a point in the process stated in the notice—restarts from the stated point.
- (4) If subsection (3) does not apply, the process for administering the pre-existing application

continues as if section 51F had not been enacted.

(5) In this section—

decision-maker means—

- (a) if subsection (1)(a) applies—the Minister;
or
- (b) if subsection (1)(b) applies and the pre-existing application is a development application—the assessment manager; or
- (c) if subsection (1)(b) applies and the pre-existing application is a change application—the responsible entity.

Division 3 Social impact assessment reports and community benefit agreements

51K Requirements for social impact assessment reports—Act, s 106W

(1) For section 106W(1)(b) of the Act, a social impact assessment report for a development application or change application must—

- (a) be prepared in accordance with the process stated in the SIA guideline, including the process for assessing the social impact of the development requiring social impact assessment the subject of the application; and
- (b) include the matters stated in the SIA guideline.

(2) In this section—

SIA guideline means the guideline made by the chief executive under section 106W(2) of the Act.

51L Public sector entities for community benefit agreements—Act, s 106Z

For section 106Z(2) of the Act, the department is prescribed.

Division 4 Notices given by chief executive

51M Procedures for giving notices—Act, s 106ZE

- (1) For section 106ZE(4) of the Act, this section prescribes procedures for the giving of a notice under section 106ZE(1) of the Act in relation to a development application or change application.
- (2) The applicant for the development application or change application may, by notice given to the chief executive, ask the chief executive to give the applicant a notice under section 106ZE(1) of the Act in relation to the application.
- (3) After receiving the request, the chief executive may, by notice given to the applicant, ask the applicant for stated further information in relation to the request.
- (4) After considering the request, the chief executive must, within the relevant period, give the applicant—
 - (a) a notice under section 106ZE(1) of the Act in accordance with the request; or
 - (b) notice that the chief executive has decided to refuse the request.
- (5) In this section—

relevant period means—

 - (a) if the chief executive asks the applicant for further information under subsection

-
- (3)—30 business days after the day the chief executive receives the information; or
 - (b) otherwise—30 business days after the day the request under subsection (2) is received.

51N Matters that may be considered in making particular decisions—Act, s 106ZE

- (1) For section 106ZE(4) of the Act, this section prescribes the matters the chief executive may consider in deciding, under section 106ZE(2) of the Act, whether it is appropriate in the circumstances for a development application or change application to be made without—
 - (a) a social impact assessment report; or
 - (b) a community benefit agreement.
- (2) For subsection (1), the matters are as follows—
 - (a) the location, nature and scale of the development requiring social impact assessment that is the subject of the development application or change application;
 - (b) the social impact of the development, including any assessment of the social impact carried out by the applicant;
 - (c) whether the applicant has engaged with the local government, and the community in the locality of the development, about the development application or change application, including the outcomes of the engagement;
 - (d) whether the applicant and a public sector entity have engaged in a mediation process in relation to the development application or change application, including the outcomes of the mediation process;

- (e) whether the chief executive has previously given a notice under section 106ZE(1) of the Act in relation to the development application or change application;
- (f) any other matter the chief executive considers relevant.
