Attachment 1 – Advice to the applicant

Attachment 1—Advice to the applicant

General advice
<p>Public utility works and connection approval advice: The applicant is advised that if any works and/or connections are required to public utility services within a State-controlled road reserve, approval must be given by the Department of Transport and Main Roads under the relevant public utility legislation (electricity, water/sewer, telecommunication), and in accordance with TMR technical standards (TN163). Approvals must be obtained prior to commencing any utility works within the state-controlled road reserve. Please contact the public utility team via northcoast@tmr.qld.gov.au for further information on the application and approval process.</p>
