Subject: RE: RPI25-004 Arrow Theten CASS Tie-in

Hi Darryl,

By way of update, the Chief Executive's assessment of the RPI25/004 application is progressing to a decision.

However, I advise that the delegate has decided that a further extension is required pursuant to s47(1) of the RPI Act to enable a decision to be finalised.

The reason for this further extension is that the Chief Executive requires time to consider a number of detailed submissions received.

Accordingly, the decision is now due by 2 December 2025.

Kind regards,

Ben Setchfield
