Dear Mr Patching

DECISION NOTICE

RPI25/004: Arrow Energy – CASS Tie-In Project

(Given under section 51 of the Regional Planning Interests Act 2014 (RPI Act))

The Department of State Development, Infrastructure and Planning (DSDIP) advises that the application made on 19 March 2025 for a Regional Interests Development Approval for resource activities: petroleum and gas, being for construction of the tie-in valve and a single length (12 metres) of pipeline for the Beneficial Use Network for the 'CASS Tie-In Project' in the Priority Agricultural Area (PAA including Condamine Alluvium) and the Strategic Cropping Area (SCA) has been approved, subject to conditions. The site is described as Lot 3 on RP77715.

Reasons for the decision

DSDIP has determined that the proposed resource activities meet the required outcomes for the PAA and SCA assessment criteria. In summary:

- the SCA is entirely overlain by the PALU within a PAA (and the SCA requirements “fall away” as the latter has primacy);
- the resource activities will not result in a material impact on the use of the property for a PALU; and
- the resource activities will not adversely impact on the regionally significant water source (Condamine Alluvium) or overland flow in the area.

The enclosed Regional Interests Development Approval confirms the nature and extent of the resource activities the subject of this approval and includes conditions to protect the areas of regional interest.

Appeals

Attachment 1 sets out:

- the period in which any appeal under Part 5 of the RPI Act must be started.
- how rights of appeal under Part 5 of the RPI Act are to be exercised.

This decision takes effect when the ‘appeal period’ for the decision ends. The ‘appeal period’ means the period ending on the last day on which an appeal against the decision may be started (see s73 in **Attachment 1**).

The Regional Interests Development Approval is enclosed.

If you require any further information, please contact Mr Darren Brewer, Manager, Development Assurance Division, in the Department of State Development, Infrastructure and Planning, by telephone on (07) 3452 7472 or by email RPIAct@dsdip.qld.gov.au, who will be pleased to assist.
