**Date:** Tuesday, 5 July 2022 4:31:07 PM

Good afternoon

This email is to seek an extension to the start of the notification period for RIDA application RPI21/028 till 22 July 2022, to enable Arrow to prepare and submit a minor amendment to address the change of five (5) well names within this application.

Arrow would like to ensure these changes are made prior to notification so that an updated version of the RIDA supporting report is available during the notification period.

If you have any questions regarding this request, please do not hesitate to contact me.

Kind regards

**Andrew Hall**
