Dear Mr. Joyce

RE: RPI21/028 – Extension of time to respond to Further Requirements Notice dated 28 March 2023

I refer to the Further Requirements Notice received on 28 March 2023 in relation to Regional Interests Development Application (RIDA) RPI21/028 Arrow – Wells and Gathering Lines.

In line with Section 44(4) of the Regional Planning Interests Act (RPIA) 2014, Arrow writes seeking a further extension from the current due date of 31 July 2024 to 31 January 2025. This extension of time will allow Arrow to further consider the implications of additional Lots purchased by the landowner that adjoin the land the subject of this application.

If you need more information, please contact Darryl Patching (Regulatory Approvals Specialist) on 3012 4184, the contact for Arrow Energy for all Regional Planning related matters.

Thank you for your assistance in this matter.

Yours sincerely,

Tim Ogilvie
